SEA BRIGHT GETS A NEW MAD HATTER!

FOR IMMEDIATE RELEASE

SEA BRIGHT: The oceanfront bar and restaurant known as The Mad Hatter, 10 East Ocean Avenue, Sea Bright, Monmouth County, New Jersey has been sold as reported by **Richard R. Santore of Bielat Santore and Company, Allenhurst, New Jersey**, the broker for the sale. The sale of this extremely active Monmouth County facility represents the first sale recorded by the firm in 2006.

The Mad Hatter is known for its thin crusted pizza which has been a signature item on the menu for many years. Countless patrons sit at the bar eating thin crust pie while watching their favorite sports telecast on an array of flat screen TV's, washing the pizza down with a variety of beers that are on tap at the establishment. Others bring their families in and enjoy their pizza on chrome towers set upon wooden tables in the main dining room overlooking Ocean Avenue. And still others simply make a telephone call to the Mad Hatter and have their thin crust pizzas delivered directly to their doorstep. Either way, the pizza is a hit!

But thin crust pie is not the only item on the menu. There is something for everyone, from a nine ounce burger to a juicy fourteen ounce New York Strip Steak. If it is pasta that you crave, you can have loads of fun creating your own pasta dish and choosing your favorite sauce to go with it. The menu also offers fresh seafood, chicken, barbecue ribs, soups and salads. So whether you are going out for the night with your friends or getting out for the night with your family, the Mad Hatter has something for you.

But the real attraction at the restaurant is its oceanfront location. In the summer the gates to the outdoor patio bar and dining area are opened and the Mad Hatter's loyal clientele flock in. There, under the warm sunshine, with the sound of the waves striking the shoreline and the cool ocean breeze blowing through your hair, customers enjoy a wide assortment of frozen dinks, beers, wines, finger foods, pizzas and burgers. It is the most popular place in the restaurant during the fair weather season.

The new owners, Scott and Amy Kelly are Sea Bright residents, and they welcome you in at the Mad Hatter. Scott Kelly will work the restaurant full time and you are likely to see him greeting you at the door when you walk in. The Mad Hatter, Sea Bright, New Jersey where you can't beat the pizza, you can't beat the fun and you can't afford not to go!
